

# Oscar, “The Grout™ Cleaner” (OTG)

## DESCRIPTION

---

OTG is a ready to use degreaser cleaner for cleaning soiled and stained grout on floor and wall surfaces. This non ammonia, non butyl based product effortlessly lifts stains and soils from the grout surface.

## DIRECTIONS

---

For exterior and interior residential, commercial and institutional surface cleaning, use OTG straight out of the bottle. Apply in a directed stream/ mist to affected area 4-6 inches off the surface.. Wait momentarily. Agitate with a Grout Gator® Appliance and or other stiff type scrub brush, or tip of a spotter-cleaning tool or terry cloth towel. Rinse with water. Repeat as needed. . Allow to thoroughly dry.

For wall surfaces, apply under spray, from bottom up. Let sit. With a white or green scrub pad, apply medium pressure and in left to right and back motion, cascade up the surface of the wall, paying particular attention to grout. Repeat as needed. Rinse. Let dry. Proceed with Oscar The Grout™ Sealer in a 3 thin coat format or a 1 bead coat format.

Other applications for OTG are: engine degreasing, exhaust hood cleaning in kitchens, small engine cleaning.

CAUTION: SKIN & EYE IRRITANT.

WEAR GLOVES AND GOGGLES, use care when using this and all chemicals, AND KEEP OUT OF REACH OF CHILDREN. Replace cap (or tighten sprayer) by turning all the way to the left so as not to allow accidental discharge.
