Norah Plus™ “Patent Pending”

Raised Rubber Flooring Anti-Slip Cleaner and Shine Rejuvenator

DESCRIPTION

Norah Plus(NP)™ Raised Rubber Anti-Slip Cleaner and Shine Rejuvenator is designed for high traffic Nora® flooring surfaces, used on passenger trains, motor homes, transit buses, athletic clubs & arenas, institutional facilities, cruise ships, and commercial aircraft. NP can be used to clean the areas surfaces in this material. Known for its durability, Nora® flooring handles extremes of traffic. NP can be used to clean the high and low surfaces, moisturizing the material, and restoring the natural anti-slip-ability. NP can be used with a mop and bucket, spot cleaning and or an auto scrubber.

DIRECTIONS

Use 4-8 oz per 5 gal bucketful;

Wet surface thoroughly to be cleaned. Apply NP™ at the use rate recommended. A riser may or may not be needed, to remove any residue for too much concentration. Use at 1:100 -1:250 in a scrubber. Rinse as needed. Let air dry.

SAFETY & HANDLING

Always wear gloves and goggles and be careful when using this and all chemicals. BE CAREFUL USING IN ENCLOSED ENVIRONMENTS. KEEP OUT OF REACH OF CHILDREN. Contains SYNTHETIC DETERGENTS. This product does not contain NTA.

PROPERTIES

Specific gravity.....1.02-1.07	Flash point.....none to boiling
Density.....8.60#/gal.	Water solubility.....complete
Boiling point.....near 212F	Color...Light Yellow/Orange or Red
pH.....11.5	Odor.....None to slight
